Landlubbers, sun-seekers, and water enthusiasts: everyone finds their place at "Ankerpunkt" Quickly, you feel like you're on vacation – scenic inspirations from Ibiza, Rimini, or Croatia ease the acute longing for the sea. Added to this is the scent of calamari and authentic Italian wood-fired pizza. Child, dog, family, or disco ball – everyone can enjoy the waterside together. During the day, there's breakfast, swimming, and sunbathing until night falls over southern Styria, and gin, cocktails, and regional wines flow into the glasses.

A PLACE TO FEEL GOOD. TO ENJOY. TO CHERISH.
A TRUE ANCHOR POINT INDEED.

We are happy to be here for you:
Monday to Saturday from 10:00 AM to 12:00 AM
Sunday & Holidays from 10:00 AM to 10:00 PM

Would you like to know
how Ankerpunkt
was created?

FIRMLY ANCHORED IN SOUTHERN STYRIA

Our dream, Ankerpunkt has grown and become a year-round oasis of well-being by the lake.

In the summer of 2014, we launched Ankerpunkt as a summer-only beach bar. Ten years, countless working hours, and ideas later, this once relatively small bar has become a true hotspot in southern Styria, attracting guests from near and far. Our dream has come true, and we are incredibly proud of what we have achieved here in Tillmitsch over these ten years. People come here to enjoy a few hours of carefree holiday feeling. Whether it's with wood-fired pizza, grilled specialties from the Josper grill, or enjoying a cocktail on our large sun terrace – the Mediterranean feeling quickly sets in here at Ankerpunkt.

The fact that people come from near and far to enjoy an unforgettable day by the lake is also thanks to our motivated crew. Our team gives their best day after day to make every visit to Ankerpunkt as pleasant as possible, whether in service or "backstage" in the kitchen. And as we always strive to improve, we are thrilled about the recent Falstaff award.

Ultimately, a big thank you goes especially to our guests – because each and every one of you contributes to making Ankerpunkt the special place it is. Thank you very much!

Best wishes,
Manuela, Leo, and Elisabeth

THE KOCHBUCH-SCHLAGER

Music, culinary delights, and love come together in the ANKERPUNKT Schlager Cookbook to form a delightful combination. The idea of long-time scene connoisseur Eva Mang was found so "delicious" by numerous national and international Schlager music stars that they gladly gathered at the hotspot of Southern Styria, both in front of and behind the camera. A great recipe for success for creating a very personal cookbook from, with, and for Schlager friends, using the essential ingredients for life and enjoyment.

Look forward to selected favorite recipes, as well as tips and tricks on cooking and cocktail shaking from numerous stars in the Schlager and pop scene.

The Ankerpunkt Schlager Cookbook will be released in Autumn 2024
