A H O I AT THE ANKERPUNKT!

Landlubbers, sun-seekers and water fleas: they all find their special place at Ankerpunkt. Scenic inspirations from Ibiza, Rimini and Croatia, accompanied by the smell of calamari and the original Italian wood oven pizza will make you quickly feel as if you are on holiday and soothe the acute longing for the sea.

Whether you're with friends, family or colleagues – feeling relaxed by the water is the motto at Ankerpunkt. During the day, it's time for breakfast, swimming and sunbathing, until night falls over southern Styria and gin, cocktails and regional wines flow into the glasses.

A PLACE TO FEEL GOOD. TO ENJOY. TO HOLD ON TO.
A REAL "ANKERPUNKT".

FIRMLY ANCHORED IN SOUTHERN STYRIA

How Leo and Manuela Rath set anchor with their restaurant in southern Styria: What once started as a small beach bar in 2014 in Tillmitsch is now an absolute hotspot for sun lovers, culinary enthusiasts and party animals. Leo and Manuela have brought a feeling of Rimini and the flair of Ibiza to southern Styria with the Ankerpunkt.

LOGBOOK

8:30 a.m.

Manuela and Leo arrive at the Ankerpunkt and start getting everything ready. They are really looking forward to the day.

9:30 a.m.

The morning shift staff arrives and prepares everything so that things can get well underway when the first guests start to pour in.

10:00 a.m.

Ciao, dear guests at Ankerpunkt! The large car park outside begins to fill up, people explore the „runway“, take a seat and order a good morning cappuccino.

11:00 a.m.

More guests are arriving, the mood is changing. Time for a first “Ankerpunkt spritz”?

12:00 p.m.

The show kitchen is running at full steam. Lunch menus, pizzas and our popular calamari make their way to our hungry guests.

1:30 p.m.

It's a hot day, so many people like to cool off in the crystal-clear water.

3:00 p.m.

The sun is losing a little of its intensity and now the kids dare to go out to our playground again.

5:00 p.m.

After work! The first cocktails are being ordered, Leo's lounge music relaxes.

7:00 p.m.

The show kitchen is also a real eye-catcher in the evening - the air smells of fresh pizza, grilled calamari and steaks.

9:00 p.m.

The mood at our bar is great, one of the more than 20 varieties of gin is changing counter sides. A pleasant evening for chatting and being together.

midnight

It's time to go. For Manuela, Leo and the crew at Ankerpunkt, the clean-up begins. It was a really great day.
